

Graduate Program in Environmental Sciences
CORE COURSE SUBSTITUTION REQUEST FORM

Please complete this form and email to mainelis@envsci.rutgers.edu along with the syllabus of the substitute course and other relevant materials.

GPES Curriculum Committee:

I would like to request permission to substitute a course taken at another university or in another program for a core requirement in the Graduate Program in Environmental Sciences curriculum.

The course I have taken is:

Course Title: _____

Course Number: _____ Credits: _____

Taken at (institution): _____

The syllabus (even if it is in another language!) is attached.

I would like this course to substitute for the following core curriculum requirement (select from the list):

Core areas

Thank you for considering this request.

Sincerely,

Name (print): _____

Date: _____

Program option: _____

Graduate Advisor: _____
